

United States of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST09476AC-D

This certificate, issued to Aviation System Standards
Aircraft Maintenance and Engineering Division, AVN-300
6500 S. MacArthur Boulevard
Oklahoma City, OK 73169

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product - Type Certificate Number: A10CE

Make: Learjet Inc.

Model: 60

Description of Type Design Change:

Installation of dual Universal UNS-1F Flight Management System. This alteration is to be made in accordance with data list D09476, dated April 11, 2005, or later approved FAA (DAS) revisions. Amendment 2 adds software upgrade to SCN 902.X.

Limitations and Conditions:

FAA approved airplane flight manual supplement, "UNS-1F Flight Management System," dated April 11, 2005, is required. Compatibility of the alteration with other approved alterations is to be determined by the installer.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 5, 2001

Date reissued:

Date of issuance: December 21, 2001

Date amended: April 11, 2005

By direction of the Administrator
